All competitive band classes

All competitive orchestra classes.

Gold, Silver, Bronze marking system:

Gold 90 and above

Silver 85 – 89

Bronze 80 – 84

The Gold, Silver and Bronze certificates do not indicate a 1st, 2nd or 3rd place standing in a class. They represent a performance achievement.

There is no set number of Gold, Silver or Bronze certificates allotted for each class. By way of example: in a class, five may receive Gold certificates and the remainder receives Silver and Bronze. The participant with the highest Gold "wins" the class. The same class may receive no Gold, only Silver and Bronze, in which case the participant with the highest Silver "wins" the class.

MUSIC FESTIVAL CLASS SCHEDULING GUIDELINES

The Music Festival tries very hard to accommodate all participants, but it is an extremely difficult task, and rarely does it work out so that everyone is satisfied. In an attempt to regulate it so that both the scheduling committee and the participants, teachers and parents understand the process, we have attempted to outline the parameters within which the scheduling committee is required to work within as approved by the NB Competitive Festival of Music Inc. Board of Directors.

The following are what the Music Festival will use as a guide when scheduling classes. They are listed in order of priority. Changes may occur to this outline if or as needs arise. Individual requests will not be accepted at any time.

1. The classes must be scheduled to be most economical in terms of the adjudicators. When adjudicators are in Saint John working for the festival, they should be working a minimum of 4-6 hours each day with an 8-hour day being preferable. There are also National guidelines we must adhere to which do not allow us to schedule them more than two sessions in a row.
2. Attempts will be made to arrange the schedule so that people participating in more than one instrument will be able to make all their classes. However, it is not always possible, and the participant may be required to choose which class they wish to enter if a conflict cannot be resolved.
3. Attempts will be made to accommodate International Baccalaureate (IB) and Advanced Placement (AP) exams.

The following are potential conflicts which the Music Festival will not consider when drafting the class schedule.

- A. Extracurricular school or non-school activities such as sports practices/games, musicals/drama programs, non-IB or AP tests or exams.
- B. Conflicts with accompanist.

Refunds

If there is a conflict that cannot be resolved a refund may be issued. Refund requests must be submitted in writing to the Festival Administrator BEFORE the first day of the music festival. Requests received after the festival starts will not be considered. Requests will be evaluated by the Festival Administrator.
